

Sho-Me Power Electric Cooperative

A Touchstone Energy® Cooperative 

August 29, 2019

Dear Bidder:

Sealed proposals for construction on a Rural Electric substation project will be received by Sho-Me Power Electric Cooperative, Marshfield, Missouri, on or before 2:00 p.m. Central Standard Time, September 16th, 2019 at the cooperative office. The proposals properly received will be evaluated and prepared for Sho-Me Board review and approval on September 24th, 2019. Sho-Me reserves the right to reject any and all proposals received, to waive any informality or irregularity, to accept any proposals or parts of proposals which it deems to best serve the interest of Sho-Me. Sho-Me reserves the right to cancel any proposed project or the award of any contract at any time before the execution of such contract by all parties without any obligation or liability against Sho-Me.

The contract is for the Clover Bottom Substation. This project will consist of grading, grounding footings, steel, and control building. The substation is located in Franklin County, Missouri.

All bidders are required to be approved by First Verify before bidding on the project.

Proposals and all supporting instruments must be submitted on the forms supplied by the Owner.

Plans, specifications and construction drawings, together with all necessary forms, may be obtained from the owner Sho-Me Power Electric Cooperative, P.O. Box D, Marshfield, Missouri 65706 upon payment of \$50.00 per set of contract and plans, which will not be subject to a refund. Plans, specifications and construction drawings may be examined at the office of the owner prior to the bid opening date and will be available for shipping.

Sincerely,

SHO-ME POWER ELECTRIC COOPERATIVE

Mike Zimmerman, P.E.
Director, Substation Design & Construction Engineering
